12th January 2021

All our Stakeholders

Dear Sir / Madam,

COMMUNICATION UPDATES BY CLINICAL RESEARCH MALAYSIA FOLLOWING MOVEMENT CONTROL ORDER

Following the public announcement by Prime Minister Tan Sri Muhyiddin Yassin on 11th January 2021, the Movement Control Order (MCO) will be reinstated in the states of Penang, Selangor, Melaka, Johor, and Sabah as well as the federal territories of Kuala Lumpur, Putrajaya, and Labuan from 13th to 26th January 2021. Another six states, Pahang, Perak, Negeri Sembilan, Kedah, Terengganu, and Kelantan will be placed under conditional MCO (CMCO), while Perlis and Sarawak are under the recovery MCO (RMCO) during this period.

2. Clinical Research Malaysia (CRM) supports the government's initiatives to break the chain of Covid-19 transmission. Following this, CRM headquarters will be closed until the end of MCO and all employees will be working from home during this period.

3. CRM remains committed in ensuring patient safety and clinical data integrity. The Clinical Operations team based at sites where the MCO is implemented will be working from home but will continue to support essential trial activities and patient visits, subject to the Principal Investigator's/ Hospital's direction. Clinical Operations team based in sites under CMCO and RMCO will continue to follow the normal work arrangement. For study-related matters at sites involving CRM's Study Coordinators, the point of contact is listed in Appendix 1. Additionally, CRM's feasibility team will continue to support on feasibility requests that require site approach. However, a delay in the feasibility timeline response at sites under MCO should be expected due to the current situation.

4. The safety of our employees, patients and the community always remain our utmost priority. We seek for your kind understanding and support to break the chain of Covid-19 transmission.

Thank you.

Yours sincerely,

CLINICAL RESEARCH MALAYSIA (1006282-X)
